## BIOGRAPHY :

Tamona is the author of [Tamona's Tips](#), a humorous website that helps people find their own path to financial independence. She does this by helping people find legitimate [work at home](#) and teaching them to use [coupons](#) and other savings strategies like budgeting and planning ahead to lower their taxes. Tamona is a living guide to financial independence. Do not assume its all seriousness, Tamona may say anything at any time and don't think being [overweight](#) is off limits. She has an entire section dedicated to the topic, lovingly named Diary of a Fat Black Woman. There is never a dull moment on [Tamona's Tips](#).

## READER'S STATS AND MISSION:

Tamona's viewers enjoy the diversity of her site. They also enjoy the fact that she is a realist who knows when an economy is in turmoil, families must be as diverse as their financial portfolios. They are not looking to get rich, just maintain lifestyles. Her readers come from various backgrounds but all have the same goal of financial independence.
